Personally came before me, a Justice of the Peace in and for
said County and State, Adam Cobin and
a resident of the County of Steuben of New York well known to
me to be reputable and entitled to credit, and who, being duly sworn, declare in relation to aforesaid
case, as follows:

That he is the identical Adam Cobin
applicant for invalid Pension 237674;

That having been called upon for testimony of a
Commissioned officer to show contraction of Scoury
and Rheumatism while in the service, he furnishes
this affidavit to state that he has made long and
vigilant efforts to ascertain the whereabouts of a
Commissioned officer who could testify from personal
knowledge to show contraction of Scoury and Rheumatism,
but all these efforts have proved abortive, and he has
to rely upon the testimony of Comrade Adam
Cobin and George Q. Downing.

That he for same reasons cannot furnish evidence
of regimental Surgeon, showing treatment while in the
service; that the affidavit of Comrade P. Quigley
on file shows that he was sick and treated in hospital
in 1862.

That at our prior to enlistment, he was a
thoroughly healthy and strong man, entirely free
from any disease of any character, especially
from Rheumatism and Scoury, and never had
occasion to take the advice or prescription
of a physician.

it was mustered out in May 1863. And I was with
the command, and doing duty as such first Sergt. from
that time until about Aug 5 1862, and again from
about 1st Jan 1863, until mustered out. I well knew
Nelson Cobin from the time of his enlistment in the fall
of 1861, until he was discharged with the Company, in
the spring of 1863. At the time of his enlistment in
said service, said Cobin was a sound and healthy
able bodied man, and remained such until about the
middle of June 1862, when at or near Garner Mill, Ariz,
while in said service, and in the line of his duty, he took a
"Heavy Cold" which was in a few days followed by sore man,
and lameness" apparently of a "Rheumatic nature"
The Doctor pronounced his disease to be severe. He was unable
to do any duty from the date of sickness until about Aug 5
I was sent away sick at that time and returned about the 1st
of Jan 1863. From that time until mustered out was unable
to perform duty most of the time, being troubled with lame
 sore mouth, and loss of appetite, and inability to eat from
his teeth being loose, and could bear no exposure as heavy
duty. I believe his complaint to be caused by heavy chills
bad water, and hard labor incident to a soldier's life
and were perhaps made worse by improper medicines given
by the Hospital Steward in the first part of his sickness
through intemperance of said Hospital steward

I further declare that I have no interest in said case and am not concerned in

the prosecution.

well known to me to be reputable and entitled to credit, and who, being duly sworn, declared in relation to aforesaid case

as follows:

I have been well acquainted with said Soldier
(Note. - Affiants should state how they gain a knowledge of the facts to which they testify.)
ever since his infancy; and have lived in the same
neighborhood with him all of that time; and during
the great part of the time, within a mile of me; and a part
of the time but over 1/4 of a mile from my place of residence.
I have seen him frequently all his life; and often see
him work; always before; and at the time of enlistment in
said service; he was a sound, healthy & able bodied man
& was always had been healthier than most men; as I know
by seeing him often & doing him work; & working with him
I saw him within a few days after his discharge from
said service in the Spring of 1863. And he had a disease
which made him lame all over; arms, hands, back, shou-
lders & legs; & made his teeth loose; and his gums swell
badly; & eyes weak; His lameness was much like rheu-
matism. & the difficulty of the face & mouth resemble
the effect of mercurial poison; I know that those diffi-
culties were both incurred in said service and that they
have disabled him from doing half a man's work all
any season since his discharge. Taking cold, &
lingering with or over work, at any time, the troubles to
become worse, & often confine him to the house for
several days at a time. I think that he has been
laid up as much as two months in each year since his
discharge by his said trouble; and at no time has he been able to
more than half a man's work, by reason thereof. He has been
the same during each year since his discharge. He has often
worked with me during each year before, & since his said army service,

of 1863; said Soldier came and boarded at the house of sa-
Roxel Wise in Cohocton, N.Y., and boarded there for about 6
years; during which time said Nathan also lived there at

each season since his said discharge; At the time of his disch-

from a lameness; apparently Rheumatism, affecting his whole
system; sometimes being in the arms, & hands; & at other times in the
leg; back, & shoulder, respectively; And upon taking cold, &
over working; his lameness seems to settle in his whole system
making him unable to do any work whatever, for from one to four
weeks; And he is at ~~times~~ no time able to do more than
half a man's work; all by reason of his said difficulty; And for
at least one third of the time since his discharge, he has been
entirely disabled by his said disease; much of that time being con-
fined to the house; He also brought home from said Army a
swelling of the face; something like hemiplegia; making his eyes sore, &
weak, and being also in the mouth; making his teeth & gums sore, &
tender; His gums being badly swollen & teeth all loose; And this diffi-

well known to me to be reputable and entitled to credit, and who, being duly sworn, declared in relation to aforesaid case

as follows:

We are both practicing Physicians and Surgeons
and have been such in this community for more
than five years last past, and have been personally
and professionally acquainted with said soldier,
all of that time: In, during and before the
year of 1890, and 1891, and during the whole of the time
of those two years, the said Nelson Cobin was, and still
is, entirely disabled, by Rheumatism; and disease of the
liver and bowels, for doing any manual labor except
that he can in dry, temperate weather, during a small
portion of the time, do some very light work, but is
disabled for manual labor, and during the whole
period above named has been, in our opinion, at
least seven eighths, and he is not, and during
all that period has not been, ready able, to, in
tice to his own health, and safety, able to do any
manual labor at all, by reason of his said ail-
ments, nor able to earn a support by manual labor
or to thus earn more than a small fraction, probably
one eighth of his support; nor to thus earn more than
enough, from year to year, to pay for the medicines, and
medical attendance for himself, needed by him on
account of his said diseases, we have both often seen and
occasionally treated, said soldier in the years 1890 & 1891, and
have also seen and examined him since that time, and
within two weeks last past, and his condition has been,
about as above described during, if of the period, above named

This affidavit is all written at Cohocton, N.Y., on the 28th day of
June 1894, by E. M. Stanton, in our presence, and only from our
statements, then and there made to him, (except the mere form
parts thereof), and in making such statements we did not use, or
were not aided or prompted by any written or printed statements
or prepared or dictated by any other person

We further declare that we have no interest in said case and are not concerned
in its prosecution, among the points of said soldier's disability - are absence of
pains & weakness in limbs, muscles, back, joints & sinews, stomach & bowels
debility, lack of endurance, sallow complexion. E. M. White M.D.
